到達目標	Learning objectives are as follows: 1. Students will be able to initiate intercultural communication in English to communicate with non-Japanese patients in a variety of nursing related clinical settings. 2. Students will be able to prepare and deliver an English presentation. 3. Students will be able to demonstrate their ability to provide advice and healthcare to non-Japanese patients through the use of English.
------	--

授業概要	Students will read, analyze and practice nurse-patient dialogues in clinical settings. In pairs and small groups, students will practice role plays based on scenarios from healthcare settings and then develop and perform their own role plays.
------	--

(Explanation of pair assessment activity: Original role play of nursing communication: Giving a patient an orientation tour of the ward and explaining the features of the room and daily hospital routines.) Pairwork: completing the assessment task (role play). 事前学修: Review last week's words and phrases 事後学修: Practice today's new words and phrases 備考: This class will be taught by Simon Elderton
評価方法、評価基準	In line with the 3 learning objectives of this course, the following will be assessed using evaluation descriptors given in class: Pair assessment activities (80%): Development and performance of 2 original role plays that feature nurse-patient-doctor English communication in a clinical setting. Self-assessment (10%): Evaluation of your own learning. English Presentation (10%): Production and delivery of an English presentation (conducted as a pairwork activity).

必携図書	井上 麻未, 松岡 里枝子, 芦田 ルリ, 宮津 多美子, Huffman Jeffrey (2016): English for Healthcare Communication (すぐに使える医療・看護英語), Medical View
参考図書・資料等	Handouts will be distributed as necessary.
受講、課題、資料配布等のルール	Full attendance is expected (as much as possible). Bring your textbook to every class. Use English in class as much as possible. Preparation for lessons, and review of content after lessons is important for your learning. Keep handouts in a file. Feel free to ask me anything, any time.
教員からのメッセージ	In class, please do your best to communicate in English, and use your imagination in the various role plays. Simulating various situations now will help prepare you for the future, so that you can provide care and comfort to English-speaking patients in actual nursing situations.
オフィスアワー	Drop in to my office (214) anytime. If you want to make an appointment, please email me.
